Join us in the fight against lung, colorectal, prostate, and testicular cancers in the Downriver community.

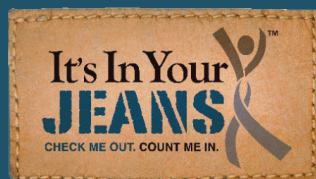

It's In Your Jeans Downriver is committed to raising awareness of the cancers prevalent to men. In doing so, we hold many fundraisers and events to help raise funds that support our crusade to save the men in our lives. We hope you join us as a guest, sponsor, donor, or volunteer. Together, we make a difference!

We provide financial assistance toward educational programs and preventative cancer screenings for men in our

community. If you or someone you know is battling cancer, please do not hesitate to reach out to us for help. In addition to screenings, IIYJ Downriver is willing to offer assistance toward non-insurance covered expenses including, but not limited to, transportation, childcare, deductibles, medication, and integrative medicine.
